

Opelika Middle School 2010-2011 7th Grade Summer Reading

Dear Future Seventh Grader:

We hope that you had a great sixth grade year and are making plans for an equally great summer. While you are making summer plans, we want to encourage you to take time to read. We have selected books that we believe will be of interest to you.

All students are required to select only one of the novels to read to fulfill the summer reading requirements for your 7th grade English class, but you are encouraged to read two or more of these great titles.

These books may be found at most public libraries and book retailers in our area. During the first weeks of the new school year, you will take the Accelerated Reader tests for your books and complete a teacher-assigned book project which will count as a 100-point test grade. Any student who does not fulfill this reading requirement will receive a zero as his/her grade.

If you have any questions about the summer reading program, please see Mrs. Beaver before the end of the year, or you may direct those questions to your English teacher next year. We hope that you have a great summer and look forward to seeing you next year!

Summer Library Hours

- June 1 - July 13
- Tuesdays and Wednesdays only
- 8 a.m. to 12 p.m.

Come during the summer and get your AR tests out of the way!
With Best Regards,
7th Grade English Teachers
