

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

Dear Parents and Students,

The faculty and staff welcome you to Opelika Middle School. We encourage you to make the most of your educational opportunities. This handbook is designed to aid you in understanding our school. The handbook is not intended to be a complete listing of student and administrative policies. It is merely a guide to the environment and expected student behavior that is traditional at OMS.

Please take the time to discuss this handbook with your child. We want all our students to have the most successful education they can.

Sincerely,
Keith York
Principal

Parents can expect:

OMS TRANSITION GOALS

Middle schools are organized with the acknowledgement that students change during adolescence. Research has confirmed that adolescent students must move from a very protective, structured, dependent, elementary environment to the more independent, self disciplined environment found in high school. The mission of OMS is to provide not only the academic portion of the students' education, but also to encourage and develop independence in discipline, study, work ethic and a responsibility for one's self. As you can imagine, this is a difficult task, especially when you add adolescence into the equation. All assignments, rules, and procedures are established to achieve our mission.

The staff at OMS certainly understands that as students enter OMS they must have a supporting start to the transition that will occur over three years. You will notice a difference from the beginning to the end of the year, and between various grade levels in areas such as amount, frequency, and checking of homework. Other differences also occur as we expect more of students as their independence and responsibility grow. Obviously we have different expectations of eighth graders than we do of sixth graders. Our mission is to have your sixth grader ready for the challenges of Opelika High School in three short years.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

SPECIFIC TRANSITION GOALS TO BE ACHIEVED WHILE AT OMS:

Increased independence in the areas of:

- Academic performance
- Student guided study
- Homework completion without rewards
- Self-governance of behavior
- Student acceptance of the responsibility for following OMS policies and procedures
- Students actively engaged in their education

GRADE LEVEL AND ADVANCED INFORMATION

Every effort is made by the faculty at Opelika Middle School to provide challenging instruction in every class offered to students during their middle school experience. We affirm the founding principle of education that all students should be given an equal opportunity to learn. We recognize that there are students who need to be challenged at a faster pace and at higher levels. It is within those two beliefs that we at OMS offer grade level and advanced classes. Students may be assigned to a mixture of classes when scheduling allows. Except for Algebra and Pre-Algebra, the course content for grade level classes compared to advanced classes is approximately the same. Students in both classes are exposed to higher level thinking skills and problem solving content. The difference between grade level and advanced classes usually involves the pace and time spent on basic concepts and skill development. Advanced classes usually have to spend less time on concept development and can spend more time applying and problem solving with the newly learned concepts.

Students are placed in advanced classes through teacher recommendations based on several guidelines:

- Previous grades
- Current classroom performance
- Self-motivation and work ethic
- Objective teacher judgment based on potential
- ARMT and/or other test data.

If the team of teachers is not sure that a student should be placed in advanced classes, they place him/her into grade level classes and evaluate the student for one to three weeks. After an evaluation period, they then move the student (if the team thinks the student should be moved to the advanced class). We would rather move a child after an evaluation period than to place a child into a frustrating situation and then reassign him/her. This procedure has proven to be consistently accurate in the placement of our students.

Parents may also request that a student be placed in advanced classes with the understanding that he/she will be removed if expectations are not met.

Students in advanced classes are expected to maintain a 70 or better grade in that class. If a student's grade falls below a 70 at progress report time or the end of the quarter in an advanced class, the parents will be notified (conference if requested) by that teacher. The student will then be placed on academic probation for four and one half weeks. If the grade has not improved to at least a 70 by the next report card or progress report, the team and principal will have the final recommendation as to class placement. If removed from advanced classes, a student can earn his/her way back into

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

advanced classes. We do not wish to remove any students from our advanced classes, but we do want them to take the program seriously and be earnest students.

Successful students in the advanced courses generally have the following common characteristics:

- Maturity
- Independent learning ability
- Self-discipline
- Self-motivation
- Willingness to accept challenges with minimum prompting
- Ability to apply skills and knowledge
- Completes tasks without much prompting
- High reading skills
- Good organizational skills

All students are exposed to the learning experiences listed below; however, advanced students are expected to work at a higher level sooner and produce more work and projects at a higher cognitive level.

Parents may expect the following from advanced classes:

- Research projects, group and individual papers
- Working in various classroom settings
- Integrating all classes with written assignments
- Entering local, state, and other competitions
- Demonstrating writing skills in all subjects
- Demonstrating a cumulative knowledge of course work.

HONOR ROLL BANQUET

Eighth grade students are eligible to attend the Honor Roll Banquet by making the A or A/B Honor Roll for the first, second, and third quarters. The eighth grade Honor Roll Banquet is held in the spring every year.

COMMUNICATIONS HOME

Many types of communications are sent home via the student. We expect students to deliver letters and other communications to their parents. Parents should explain to their children that they expect to receive all papers.

Please be sure before your student leaves home in the morning that he/she knows what to do after school that day. We cannot guarantee that a message taken in the office toward the end of the day will be delivered to your child. Messages can only be taken from the parent or guardian of a student.

PHONE USE

OMS places a high priority on maximizing instructional time for students. We request that teachers minimize the time students are out of their classes. Therefore, teachers are instructed to send students to the office to use the phone only for sickness or other circumstances that may adversely impact the student's school day.

The phone is available for student use in an emergency only. We cannot get a student out of class to come to the telephone to take a call.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

cost of the book. Refunds will be given upon return of the book and presentation of receipt.

STUDENT LOCKERS

During the first week of school homeroom teachers will assign each student a corridor locker. Each student will be responsible for the contents of his locker. Each student should keep his locker locked at all times. The lockers are owned by the school. The principal reserves the right to open any locker at his discretion. Students should leave all valuables in their book locker, not in the P.E. locker. **Students should never share their locker or give their combination to anyone.**

STUDENT BOOKBAGS/BACKPACKS

All students are allowed to bring book bags or backpacks to school. All book bags and backpacks must be "see through" in that they must be clear, webbed, or mesh. Items in the book bags or backpacks must be visible from the outside.

STUDENT REGULATIONS, POLICIES AND PROCEDURES

It is the responsibility of each student's parent or guardian to ensure regular attendance.

STUDENT ATTENDANCE, EXCUSED ABSENCES

Within two days following an absence, the student must present a written excuse explaining his/her absence. The note must be signed by a parent or guardian and must be presented to his/her homeroom teacher. The student will then be given an admission slip to be signed by his teachers during the day. If a student fails to bring an excuse the first day back, a temporary admission slip will be written. If he fails to bring an excuse the second day, he will be given an unexcused admission slip. The State of Alabama only recognizes the following reasons for excused absences.

- Illness
- Death in the immediate family
- Inclement weather as determined by the principal
- Legal quarantine

READMISSION REQUIREMENTS AFTER ABSENCE

REASON FOR ABSENCE

Personal Illness or death in the family--When the student returns to school he/she must have a signed explanation from his/her parent or guardian. The school may require the student's parents or legal guardians to furnish statements from a physician to verify an absence due to illness.

Legal Reasons--When the student returns to school, he/she must have a signed explanation from his/her parent or guardian.

NECESSARY ABSENCES

Arrangements should be made with the school administration in advance for a student to be absent from school for any reason other than the ones listed above. Written request must be presented to the Principal's Office during homeroom period. This note must contain a reason for the absence and a specific date.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

STUDENT ATTENDANCE, UNEXCUSED

Students with unexcused absences may be given a zero for the day and will not be permitted to make up work for credit. Students who are truant from school are also subject to disciplinary action and/or referral to juvenile court.

STUDENT ATTENDANCE, CHECKING OUT

Early dismissals are decided at the discretion of the administration. If a student becomes ill at school, the parents will be contacted. No student will be allowed to leave school unless the **parents or guardians** have been contacted and permission has been given for the student to leave. The parent or guardian must sign the student out in the main office.

STUDENT ATTENDANCE, EXCESSIVE ABSENCES

In order to receive course credit toward promotion, the student shall not be absent in excess of 20 days per academic year from each course. This requirement may be waived in the event of serious illness, accident, or verifiable circumstances at the discretion of the principal and/or attendance committee.

PROCEDURE TO NOTIFY PARENTS OF UNEXCUSED ABSENCES:

1st absence: parent notified

6th absence: parent may be required to attend conference with attendance officer or principal, or participate in an early warning conference as required by court

7th absence: formal truancy complaint may be filed

STUDENT ATTENDANCE, MAKE-UP WORK MISSED WHILE ABSENT

All work missed may be made up if the absence is excused. It is the student's responsibility to make arrangements to make up missed work. Arrangements should be made within three days after returning to school. All make-up work must be completed within three days after each absence unless there are extenuating circumstances as determined by the teacher. All work must be made up.

TARDIES

It is the responsibility of the parent or guardian of each student in Opelika City Schools to ensure that his/her child arrives at the school on time every day. Students should arrive at OMS no later than 7:50 AM.

Students at Opelika Middle School are responsible for attending all of their classes daily. No more than one tardy will be permitted per class period, and any subsequent tardies will result in disciplinary action.

Students arriving after 7:55 AM must report to the OFFICE for an admission slip. These tardies will be unexcused. Repeated tardies will result in appropriate disciplinary action.

TARDY PROCEDURE

1-4 tardies—teacher warns student

5th-9th tardy—detention note sent home by student

10th tardy—referred to office, administrator will call parent

11 or more—the administrator will determine the appropriate disciplinary action

TARDY TO CLASS

Teams will determine their own times for class change. This time will be consistent for the most part unless special events or programs dictate otherwise.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

PERFECT ATTENDANCE

Only students who have never been absent, never been tardy, and never been checked out will be considered as having perfect attendance. In other words, to attain perfect attendance, the student must be on time every day and must be present the entire school day.

FLOWER, GIFTS, AND BALLOONS POLICY

It is the consensus of all elementary and middle school staff and parent advisory committees, that **NO** flowers, gifts or balloons are to be sent or delivered to students at school. Your cooperation is greatly appreciated concerning this policy for Opelika City Schools.

MEDICATION

All medicine, prescription and non-prescription, has to be kept in the main office along with a parent signed medication form on file. All prescription medicine must be in the prescription bottle.

OMS DISCIPLINE PHILOSOPHY

Philosophy: It is the purpose of Opelika Middle School to provide a safe, nurturing environment for students in order to maximize their educational opportunity. Providing an inclusive school environment that gives students a welcome and respectful atmosphere will enhance the relationship of the school and its students and parents. Providing positive rewards for proper behavior will be stressed in the TEAMS as well as in the total school. The school is here to not only academically educate our students but also to provide the democratic values that are supported throughout our community. These values include **honesty, fairness, thoughtfulness, cooperation, and diligence**. As a staff, exhibiting these values will not only show the importance of the values but also reinforce the behaviors in the students. It is our purpose to not only produce an intelligent student but also a student who will be an asset to our community and state.

STUDENT DRESS CODE

The Opelika City Board of Education and administration recognize the effect that student dress and grooming have upon student behavior and commitment to learning. The Board and administration further recognize the role of parents in assisting their children in making appropriate choices regarding clothing, accessories, and personal appearance. In order to maintain an atmosphere conducive to learning, it is required that all students exercise good taste with regard to their personal appearance. Attire considered disruptive or that could present a health or safety problem is not appropriate.

Any clothing, appearance, or personal hygiene and grooming practices that draw an inordinate amount of attention to the individual student are considered inappropriate for school. The dress and/or grooming style of any student must not interfere with the educational process of other students.

Students must be neat and clean at all times. An unkempt or sloppy appearance is not appropriate in the learning environment of school.

Shirts must be tucked in at all times (Male Students). Belts must be visible at all times. **Grades K-2:** Our goal is to train these students to follow the dress code; however, being non-compliant will not result in disciplinary action.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

Pants, shorts, and skirts that have belt loops must be worn at the waist and with a BELT. Pants, shorts, and skirts without belt loops must be worn at the waist and should fit properly. **Grades K-2:** Our goal is to train these students to follow the dress code; however, being non-compliant will not result in disciplinary action.

Pants worn too low, too long, too large, or too loose are not permitted. Pajama style pants, snap-aways, and sweatpants are prohibited.

Athletic type pants may be worn only during physical education classes. Athletic type pants include but are not limited to wind suit pants, nylon gym/athletic shorts, "Soffes", "Umbros", spandex, sweat pants, soccer shorts, and nylon warm-up suits.

Students are to wear clothing in the manner it is designed to be worn, i.e., clothing worn backward or inside out, and unfastened suspenders are not allowed.

Students are not to wear clothing that reveal the body in an inappropriate manner. (Examples: clothing which is too tight, too short, bare at the midriff, bare at the sides, sundresses, "spaghetti strap" type tops, tank tops, off-the-shoulder tops, low-cut front or back tops, sheer or see-through clothing, etc.). **Undergarments should be worn in an appropriate manner and should not be visible.** Clothes with holes that reveal the body in an inappropriate manner are not allowed.

Students may wear shorts to school under the following stipulations: Shorts must be hemmed. Old worn/torn, or other type cut-offs, athletic (gym), "Umbro" "Soffes", other nylon type, spandex, sweat type, tennis, or swimsuit type shorts are not allowed.

Student athletes may wear required game day attire previously approved by the sponsor and principal. (Cheerleaders, majorettes, band members, etc.)

Skirts, shorts, and dresses must be mid-thigh or longer in front and back. No slits or leg openings may be above mid-thigh. Whether the student is standing or sitting, the length of skirts and dresses must be appropriate. Spandex pants, leggings, leotards, etc., may be worn only when the article of clothing worn with them meets the mid-thigh requirement. **(Long T-shirts are not allowed.) *These items will have variances that are appropriate to students in this age range for grades K-5.***

Facial and/or tongue jewelry is not allowed for males or females. Students are not to wear jewelry, ornaments, or accessories, i.e., excessively noisy jewelry and/or belts, that distract from the educational process or interfere with proper speech communication.

T-shirts or any other type clothing or personal item bearing a reference to firearms, alcoholic beverages, tobacco products, drugs, drug-related slogans, and/or any other wording, drawings, pictures, etc., which in any way can be interpreted as being "off-color," suggestive, obscene, offensive, or relating to violence, etc., are not permitted. "Gang" related slogans, names, apparel, etc., are not permitted in school or at any school-related activities. Gang related items include, but are not limited to, bandanas, washrags, doo rags, etc. These items are not to be worn or to hang from a pants pocket.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

Caps, hats, bandanas, doo rags, sunglasses, or other headwear are not to be worn during the regular school day. Headbands, designed to maintain hair placement, will be allowed.

Outerwear (coats, sunglasses, gloves, etc.) is not to be worn in the building during normal school time unless temperature or individual medical problems dictate this to be appropriate. Sweatshirts and lightweight jackets are permitted.

All students are required to wear their hair in such a manner that is not considered unkempt, unclean, or impairing vision (spiked hair, clown like hair colors, etc.) Students should not wear excessive or distracting make-up, i.e., face paint.

Students are required to wear appropriate shoes to school at all times--no bare feet. House slippers, boots with chains, steel toes, or other metal reinforcements or decorations are not allowed.

Students in violation of the dress code will be required to change immediately. If this requires checking out, the absence is unexcused.

The administration of Opelika Middle School maintains the absolute authority in making subjective judgments concerning student dress and personal appearance.

If any aspect of the Dress Code becomes a consistent problem, appropriate adjustments will be made by the administration to address the situation.

STUDENT BEHAVIOR, CLASSROOM

1. Be in your seat and ready to work when the teacher closes the door or the tardy bell rings.
2. Bring all supplies and assignments as required by the teacher everyday.
3. Raise your hand and receive permission before talking or leaving your seat, unless otherwise instructed by your teacher.
4. Respect your teacher, visitors, and fellow classmates. (This especially includes being honest, courteous, and keeping your hands, feet, objects, and ugly remarks to yourself.)

STUDENT BEHAVIOR, FIGHTING

Fighting will not be tolerated at OMS for any reason. The punishment for being involved in a fight at OMS will be a 3-day out of school suspension unless there are extenuating circumstances as determined by the school administrator. The second fight will result in a 5-day suspension. If there is a third fight, it will result in a suspension for an administrative hearing. Students are to tell teachers or other staff members if anyone is harming or threatening to harm them. Students should always attempt to get to a teacher or staff member if confronted by a person. We are here to see that all problems are handled in a mature and reasonable manner. We expect that students will likewise handle problems in a mature and fair manner. If a conflict occurs and appears to be getting out of hand both students are expected to seek advice and counsel of teachers or other staff members.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

Students who are fighting and do not stop when the teacher intervenes will be suspended pending a hearing with the superintendent. After a full investigation and if warranted, a petition may be filed with the police department.

STUDENT BEHAVIOR, GUM AND CANDY

Students are not allowed to chew gum on the campus of OMS. Students are not allowed to eat candy or any other food on the campus except in the cafeteria and only then if it is a part of their sack lunch. It will be left to the discretion of the teachers and the administration to determine if the presence of candy and other food creates a problem that would necessitate confiscation. No items may be sold at OMS unless approved by the principal. Any unapproved items sold at OMS are subject to confiscation and may not be returned.

STUDENT BEHAVIOR, DRUGS, ALCOHOL, TOBACCO

Students are not allowed to possess or use any form of tobacco at school or on the bus. Students are not allowed to possess or use illegal drugs or alcohol on school grounds or while under the supervision of the school. Severe disciplinary action will result. Students may also be referred to the proper authorities. Consequences are listed in the Opelika City Schools Code of Student Conduct.

STUDENT BEHAVIOR, IN THE HALLWAY

Students should move quickly and quietly in the halls during class changing. There should be no loitering in the halls or restrooms during class changing. Running, shoving, loud talking or unnecessary noise will not be allowed. A student should have a hall pass signed by a teacher whenever he is in the halls except at class-changing time. Extreme care should be taken on the stairs. Students should stay to the right and not stop to talk when on the stairs.

STUDENT BEHAVIOR, BUS

It is a privilege to ride the bus. To earn that privilege you must obey the bus driver and follow these rules. If you do not do this, you will lose the privilege of riding the bus permanently.

1. You may ride only your bus to and from school.
2. To ride a different bus you will need a note from your parent requesting that you ride a different bus. Please write the address where the student will be dropped off and a current phone number so the parent can be contacted to confirm the bus change. This note has to be signed by the principal or assistant principal during **homeroom**.
3. In good weather you will either board your bus immediately or wait on the sidewalk until your bus arrives. If the weather is bad, you may be dismissed from your classroom by bus numbers. An announcement will be made from the front office giving you permission to leave the classroom.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

4. Students who leave the bus area will not be allowed to ride a bus.
5. You may not play, run, throw, or cut in line in the bus area.
6. Eating is not allowed on any bus.

STUDENT BEHAVIOR, GENERAL POLICIES

1. STUDENTS ARE NOT TO BRING POCKETKNIVES, CHINESE STARS, BRASS KNUCKLE RINGS, SHARP OBJECTS, OR ANY OTHER WEAPONS TO SCHOOL. POSSESSION OF ANY WEAPON CAN RESULT IN A SUSPENSION FOR AN ADMINISTRATIVE HEARING AND/OR LEGAL ACTIONS. IF A WEAPON IS USED TO HARM OR THREATEN ANYONE, SEVERE DISCIPLINARY ACTIONS AND PROBABLE LEGAL ACTION WILL RESULT. **ABSOLUTELY NO WEAPON OR ITEMS THAT COULD BE USED AS A WEAPON ARE ALLOWED.**
2. Any student found gambling, stealing, using profane or indecent language, or defacing school property is subject to disciplinary action. Depending upon the circumstances, students and the investigation may be turned over to the police.

These items are subject to being confiscated. The person taking up the item will give you a receipt for the item. The item will be returned at the teacher's discretion.
4. All advertisements, posters, bulletins, etc. must be approved by the administration before being placed in the school or on the school campus.
5. A student must have prior permission from the administration or that teacher before missing any assigned classes.
6. Students may not bring food or drink onto the campus of OMS or the school bus unless it is a part of a sack lunch. Lunches brought to school may be eaten in the school cafeteria only. Lunches must be kept in lockers until time for lunch. The only food allowed in rooms will be fresh fruit or raw vegetables for fruit break.
7. Parents are welcome to eat lunch with their children at any time. However, we discourage the consumption of commercially purchased food items in the presence of the student body. If you choose to have lunch with your child, purchase a lunch prepared by our child nutrition program.
8. Anything not covered in this student handbook will be decided on an individual basis by the school administration.
9. Interpretations of all policies in this handbook are reserved by the administration.
10. Where this manual and Opelika Board Policy conflict, Board policy governs.

DISCIPLINARY ACTIONS

In keeping with our TEAM philosophy and for students to best benefit from TEAMING, we are allowing more autonomy within the teams in dealing with student management. TEAMS will prepare student management plans that are approved by the principal and that follow OMS and BOARD policies. Most of the consequences that students will receive will come from the TEAM. Teachers within the TEAM will work together to monitor student behavior and will establish behavioral standards and will administer consequences in a fair and reasonable manner. Teachers cannot suspend students, only the principal and assistant principals have the authority to suspend students or place students in In-School Suspension. All efforts will be made to correct misbehavior of students prior to suspending students. Only in cases of fighting or other severe infractions will students be suspended prior to the TEAM having a parent conference. The key to student success is TEAM/PARENT involvement. I would like to remind you that not all parent conferences are due to misbehavior. Please make all efforts to attend conferences with your student's TEAM and other TEACHERS.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

TEAM/TEACHER CONSEQUENCES

The following is a list of consequences available to teachers to use in trying to correct misbehavior. This list is not all-inclusive. All consequences shall be fair and appropriate for the misbehavior.

- Assertive discipline
- Losing incentives
- Isolation from class
- Letters home
- Parent conferences
- Team/Teachers detention
- Referral to office

TEACHER/TEAM DETENTION

A team/teacher or administrative designee may keep a student after school for misconduct. Students must observe the teacher's request and stay the time required (3:30) by the teacher. Students will stay after school the next day. When a student is assigned to team/teacher detention, a notice will be sent home, by way of the student, informing the parents. The student will bring the note back to the teacher signed by the parent the following day. We consider it a serious conduct infraction if the student willfully fails to notify his/her parents and fails to bring back the note. We consider failing to stay for a team/teacher a very serious infraction and it will be dealt with seriously. We know the most important relationship for the correction of misbehavior is teacher/parent. Students must be responsible to both teachers and parents. Students kept after school will be under the supervision of a teacher until dismissed.

OFFICE CONSEQUENCES

This is a list of consequences that may be used by the principal or assistant principals for misbehavior. This is not an all-inclusive list. All punishment will be dispensed fairly and appropriately for the infraction.

- In-school suspension
- Parent conference with team/teacher
- Suspension
- Suspension for administrative hearing
- Referral to Juvenile Court
- Petitions signed in court of jurisdiction

REFERRALS TO THE OFFICE

When a student is sent to the office, it is a serious matter. We are expecting the TEAM/TEACHER process to have a great impact on student behavior. When the team or teacher sends a student to the office, they are saying that other methods have not been successful and the problem needs more attention. Every student sent to the office will have a referral from the team or teacher explaining the incident or problem. The administrator will investigate the incident and will take the appropriate actions. The administrator will write their actions on the referral form and will give a copy to the student to take home to his/her parents. One copy will be sent back to the teacher and another kept in the office.

DISCIPLINARY ACTION, SUSPENSION

If a student is suspended from OMS, all reasonable efforts will be made by the school to contact parents by phone as soon as possible. Students will be given a letter with a copy of the referral with administrative comments when the administration talks with the student.

The letter will have the information needed by the parents explaining the referral and suspension date(s). A student suspended from school will not be allowed to participate

GUIDANCE

The guidance and counseling program at Opelika Middle School is a very active and important part of our total child-centered educational program. We have on staff two full-time counselors and one half-time counselor. Each of the academic teams in our school has an assigned counselor who helps serve students in many ways.

Our counselors help students in four main areas:

Academic – The counselors coordinate: tutoring programs; programs for academically gifted students; the statewide testing program (achievement tests and aptitude tests); and the special educational services needed at OMS. The counselors help students deal with frustration about schoolwork by helping students, parents and teachers communicate. The counselors also assist in teaching study skills and test taking skills.

Personal and Social – The counselors work with students individually, in small groups, and in the classroom. Some of the topics addressed are decision making, goal setting, getting along with others and forming positive relationships, dealing with peer pressure, and managing anger and other negative emotions.

Vocational/Career – The counselors work with all students in the area of career development. This is done through classroom guidance lessons helping students: to explore different careers; to relate their strengths and interests to career choices; and to develop a career center in the OMS Media Center which is designed for small groups of students to participate in career exploration activities using computer and video technology.

Discipline Intervention - Students assigned to ISS will participate in a counseling intervention program. Topics covered will be goal setting, anger management, problem

solving, and study skills in an effort to help these students improve their academic achievement and behavior management skills.

The counselors are here to help all students receive the best education possible at OMS, and are available to parents for information and support concerning their children.

OFFICE AIDES

Office aides (main office, APO, and data) will be chosen and scheduled by the counselors and administration. Media center aides will be chosen and scheduled by the media center specialist. All aides must be responsible, respectful, and trustworthy students, who are willing to work and follow directions. Students who want to be office aides must have a recommendation from their teachers and must have PE in their schedule. Office aides can only serve if they can come out of PE. Team aides are chosen by their teachers. Team teachers should consider whether or not students have already served as aides.

Physical education is important to the health and physical development of the student and is required by the State of Alabama.

OPELIKA MIDDLE SCHOOL: A TITLE I SCHOOL

Any other questions about eligibility should be directed to the athletic director or the sponsor.

SPECIAL DIETARY NEEDS PROCEDURE

Our cafeteria prepares nutritious meals at school that are in compliance with the dietary guidelines recommended by USDA. If your child has a special diet or needs due to a physical or medical condition, please contact the Opelika City Schools Child Nutrition Supervisor at 745-9700 for information. A diet prescription and instructions will be required from your child's physician.

WELLNESS POLICY: FOOD GUIDELINES AT SCHOOL

In order to meet State and Federal health requirements, Opelika City Schools has developed a wellness policy that promotes good student health and fitness. A significant change that will require parents and teachers to work cooperatively will be the elimination of food and beverage items of minimum nutritional value. Generally, food items and beverages that have sugar or corn syrup as the first, or main ingredient, and/or high calorie foods (high fat) with low nutritional value, cannot be given to students during the school day. We are asking parents to refer to the approved food list when they send food items to school for the various activities. We encourage parents who provide their child's lunch to use these guidelines as they plan menus. Particularly the sending of carbonated beverages, candies, and large servings of potato chips, etc... to the school. We are asking our faculties and staff members to model good nutritional habits, as your support will greatly impact our success in changing the eating habits of our students. Hopefully, the changes will have positive life long impacts on our children.

ENRICHMENT SERVICES

According to the state definition, gifted children and youth are those who perform at high levels in academic and creative fields when compared with others of their age, experience, or environment. These children and youth require services not ordinarily provided by the regular school program. Children and youth possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Any individual with knowledge concerning a student's abilities may refer a student to be considered for an evaluation to determine if the student qualifies according to the state criteria. A referral to the Gifted Referral Screening Team (GRST) may be made by contacting the Special Education Coordinator. The GRST will review information related to the student's aptitude, performance, and characteristics to determine if an evaluation for gifted eligibility is warranted.

Building Based Student Support Team/Problem Solving Team: Each school in the Opelika City School System has a school-based team composed of teachers and administrators who provide assistance for students who exhibit a chronic pattern of failure. To receive further information on how to access the services provided by the Building Based Student Support Team/Problem Solving Team contact a counselor or the principal at the school the student attends.
