

## **A-4 SCHOOL SYSTEM ORGANIZATION PLAN**

The instructional levels and school grade structure are divided into four levels: Primary Schools (kindergarten through second grade), Intermediate Schools (third through fifth grade), Middle School (sixth through eighth grade and High School (ninth through twelfth grade). The school system will also operate an alternative school which will include all grades as needed.

Exceptions to this grade structure may be made from time to time to accommodate the educational or building construction goals of the school district.

The Superintendent shall recommend the kind, grade and location of schools to be established and maintained within the Opelika City Schools.
