

## **K-7.1 SEX OFFENDER**

No adult sex offender, after having been convicted of a sex offense involving a minor, shall enter onto the property of a K-12 school while school is in session or attend any K-12 school activity unless the adult sex offender does all of the following:

- Notifies the principal of the school, or his or her designee, before entering onto the property or attending the K-12 school activity.
- Immediately reports to the principal of the school upon entering the property or arriving at the K-12 school activity.

Complies with the directions of the principal or other designated school personnel. Complies with all components of AL Section 15-20A-17
