¹*ACT QualityCore End-of-Course Assessments* English 9 or 10 and Algebra I are optional. Each test is composed of two 45-minute sessions. These sessions may be completed in one day or on two separate days. Students tested with these assessments for credit advancement may NOT test during the state window.

²With *ACT WorkKeys Online Testing*, the three subtests may be administered in one session or in three separate sessions.

³The pre-test sessions of the *ACT WorkKeys Paper Testing* must be completed prior to the administration of the test; this session may be conducted on the morning of the test or on a separate day. Timed testing must begin no later than 9 a.m.

⁴Accommodations for *ACT WorkKeys* are determined by the IEP Team or 504 Committee.

⁵Schools may administer all subject tests of the *ACT Aspire* in one session or they may administer the subject tests in separate sessions at any time during the testing window.

⁶The pre-test sessions of the *ACT with Writing* must be completed on a SEPARATE day PRIOR to the administration of the test. Although the pre-test session may be administered at any time on a day prior to the test administration, timed testing for the *ACT with Writing* must begin no later than 9 a.m. This is true for both Paper and Online Testing.

⁷In 2016-2017, a district may choose one of two options for the initial test date for *ACT with Writing Paper Testing*. Please note that districts that choose Option 1 of March 21 as the initial test date must select only one make-up date—April 19 or May 3—from the two options. Districts that choose Option 2 of April 19 for the initial test date must select May 3 for their make-up test date.

⁸*ACT* must approve all accommodations on the *ACT with Writing*. Documentation must be submitted directly to *ACT*.

⁹A window is allowed for the *ACT with Writing Online Testing*. Since a different form of the test is given each day, schools may choose to test on more than one date during the online window. A student must complete the test in one day.

¹⁰All evidence for the AAA, which is collected and posted throughout the school year, must be submitted online by 5 p.m. May 7, 2017.
