

## BOARD MEMBER ORIENTATION AND TRAINING

The Superintendent shall be responsible for providing a comprehensive orientation program for new Board members. New Board members also are encouraged to attend new board member orientation sessions conducted by the Alabama Association of School Boards.

The requirements of this policy may be satisfied by member participation in board member training provided by the Alabama Association of School Boards or other sources considered knowledgeable in school board governance and leadership. Board members will provide a report to the Board about their training experiences at the next available Board meeting.
