Evidence Portfolio	3
Attachment Summary	8

Evidence Portfolio

Upload **at least four weeks in advance** of the Engagement Review all supporting documentation.

The following are required to be completed and submitted at least four weeks prior to the Engagement Review:

- Cognia Assurances
- Executive Summary
- Self-Assessment Diagnostic
- Student Performance Diagnostic (not required for standalone Corporations, ESAs without schools, or Charter School Authorizers)
- Stakeholder Feedback Diagnostic
- Evidence Portfolio
- Learning Environment Observation Analysis

Instructions

Select **Evidence Included** or **N/A** where evidence is not applicable to complete the Evidence Portfolio. Upload of evidence is required, with a focus on analyzed results rather than raw data. You may attach documents or links to documents in other locations accessible to the team. You may also add comments that will help the team understand why you included or did not include certain documentation.

1. Student Performance

Upload documentation of or links to results referenced in the student performance diagnostic including achievement, graduation, attendance, disciplinary information, etc. over the past 2 to 3 years.

● **Evidence Included**

- No evidence available
- N/A – Not Applicable
